

Award Nomination Cover Page

O₃4ME Exceptional and Collaborative Mathematics Teaching recognizes a group or team of educators who foster collaborative and excellent mathematics teaching, contribute to the overall development of student learning of mathematics, and demonstrates an overall leadership within the Ottawa Zone mathematics community (Elementary or Secondary).

Award Nomination Process

1. Complete the Nominee and Nominator information section below. The nominator may include a 1-page letter of recommendation. Nominee does not necessarily have to be an OAME member - nominator does.
2. Provide up to three letters of support, of no more than two pages each. These supporting documents may be gathered from a variety of sources to reveal a full picture of the nominee. The support documents will provide precise information about the nominee's contributions as they relate primarily to this award. All documentation supporting a nomination should align to the OAME and O₃4ME's Vision for mathematics teaching and learning. Support may come from current OAME members, a supervisor or administrator, colleagues, or other appropriate sources.

Note: Curriculum vitae/resume not required

The nominations will be assessed according to the criteria outlined below:

Award for O₃4ME Exceptional and Collaborative Mathematics Teaching Specific Criteria

- Fosters collegiality, teamwork and excellent classroom teaching
